

StarBrights Blankie

Kids love bright colors and Red Hearts Starbright colorway is the perfect way to get tons of color into a fun blankie.

This blankie is basically a giant granny square in one color so the way a round is started varies from how it is done when using multiple colors.

In addition, a larger hook is used to make the work go faster, or you can use the recommended hook for the yarn you choose.

The image to the left shows a small doll-sized version of the blankie.
