

Windy Prairie Scarf

When I'm able to, I try to create a pattern for yarns I'm sent for review. While I'm not always able to, when you have yarns as wonderful as those from Windy Valley MuskoX, they just beg to be made into something warm and beautiful.

This scarf is made using the Qiviut Majestic Blend Yarn from Windy Valley MuskoX. It's soft, yet extremely warm so I wanted a simple design that wouldn't be too hot when worn but would still keep the wearer cozy. The width of this scarf makes it useful as a head scarf and is easily adjusted to make it thinner, or wider, if needed.

Sizes and Materials List ...

Size:	Sample scarf measures ... 9.5" w x 70" l
Hook(s):	US G/6 (4.00 mm)
Yarn:	Windy Valley MuskoX Qiviut Majestic Blend [15% Qiviuk, 80% Extrafine Merino Wool, 5% Mulberry Silk, 218 yds/28.5 g (1 oz) ball]
Colors & Approx. Yardage	5011 Spruce Green, 436 yds
Notions	Yarn Needle
Gauge:	24 sts and 12 rows = 4"/10 cm <i>Always take time to check your gauge</i>
Notes ...	
Pattern Repeat	Pattern rep is six (6) sts. Add or remove as needed depending on the width desired. Determine how many reps you want times 6, then add 2 sts.

Sl st at beg of row

Whenever possible, I prefer to sl st into the first st of the previous row before I make the chs for the beg st, such as for a beg dc. To me, it produces a flatter edge rather than the slightly bowed look that just the beg dc makes. If you don't like using the sl st at the beg of a row, just skip it and make the ch-3 beg dc instead.
