

Grandma Spiked My Ripple Blanket Symbol Chart

Red dashed line shows repeat section and each repeat is 18 sts.

To determine starting ch/fsc:

- Make one rep of rows 1 & 2
- Measure finished width
- Divide measured width into desired blanket width
- Result is number of reps needed
- For base ch, multiply 18 sts x # of reps + 7 sts - follow chart to begin
- For fsc row, multiply 18 sts x # of reps + 4 sts - to start, sk first 2 fsc and make first 3 dc in
