

Celian Sun Hat/Beanie

This hat is a variation of the Dorothea Sun Hat/Beanie without the fpdc which should make it suitable for either a boy or girl. Like with the Dorothea Sun Hat/Beanie, add crocheted flowers, buttons, or other trims to add some sparkle to the hat. Leave off the brim for a beanie or change colors every round!

While the pattern is written using size 5 crochet thread, it can also be worked up using thicker or thinner thread, just make sure the measurements for the size being made are followed. Included sizes are from newborn to adult female. Also included is a simple flower pattern but feel free to use any flower pattern you like instead.

Named after my paternal grandmother, Celian Ann.
