Notes ...

Working

- Worked in the round. Do not increase more than once per round.
- For smaller cups, use a smaller hk and make your beg ch/fsc long enough to go around the lower section of the cup.
- One ball of yarn is enough for three cup cozies and a fourth one through the ninth round. To get four full cozies out of a ball, you can do one of the following:
 - Leave off the edging on all cozies
 - Work rounds 1 through 8, then round 10, and finally, the edging on all cozies
 - Make 3 cozies following #2 above and 1 cozy following full pattern
 - Make 2 cozies following #2 above and 2 cozies following full pattern
